## Handout 1 Shakespearean "Conversations"

## **80** Troublesome Words

Zounds! Perchance thou hast felt like a common recreant when asked to anatomize a Shakespeare play. Anon, thou shalt toss of that coil, and with great dispatch, avoid feeling like a fustian caitiff.

If you're going to read or see a Shakespeare play, there are some words that come up again and again and might confuse you. Some of these are now archaic or arcane, and some are still in common use but their meaning has changed. Knowing the following words will turn the beginning reader into an instant expert.

addition - title	chuck - term of endearment,	oft - often
